RULES:

- Applicable USS Rules and MD Swimming Rules shall govern this competition.
- USS/MD safety guidelines and warm-up procedures will be in effect for the entire meet.
- Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement by contacting the Meet Director or Meet Referee prior to the start of the meet.
- No one will be permitted on the pool deck unless they are registered with USS as an athlete or as a non-athlete working the meet. The only exception will be for timers and administrative staff assisting with the conduct of the meet. Coaches and officials are required to display their credentials while on deck.
- Use of any device with the ability to capture audio or visual recording, including cell phones, is not permitted in changing areas, rest rooms or locker rooms.

OFFICIALS TRAINING: There will be a training session for anyone interested in becoming a Stroke and Turn Official on Saturday immediately following the morning session at approximately 11:30am.

There will also be a training session on Sunday immediately following the morning session at approximately 11:30am for any current official interested in becoming a Starter.

SPECIAL FREDERICK BOARD OF EDUCATION AND WALKERSVILLE HIGH SCHOOL REQUIREMENTS:

No street shoes will be allowed on the pool deck. Shoes must be worn when not on the pool deck. Competing swimmers are not allowed in the viewing balcony during the event and must stay on the pool deck or in the cafeteria. No smoking is allowed on FCPS grounds. Due to the depth of the water on the shallow end of the pool, all swimmers entered in the 100 relays will have to start the second and fourth lengths of that relay in the water, not from the deck.

AWARDS: Individual event ribbons 1st thru 10th. Relay events 1st thru 3rd.
